

Own the audition - nail the part

March 24-25, 2018

Daniele Lydon
Dialect Coach

Claudia Winfield
Voice & Film Coach

Overcome two of the biggest obstacles facing today's actor – dialect generation and mastering self-taping for audition. In Erden, some of Europe's finest voice talents lift the curtain on these 'dark arts', so you can audition with razor-edge confidence.

Are you an established actor facing complex auditions that require heavy dialects and a self-taping challenge? Do you have pages of lines, with one shot at it and one day's notice?

Join our intensive voice masterclass in inspirational surroundings. 30 minutes from Frankfurt Hahn airport. Refine your audition skills, hands-on and head high.

Workshop content

- Develop winning accents and learn effective dialect short-cuts.
- Practical guidance to planning and packaging your self-filmed audition.
- Facing the camera with confidence and convey the physicality of a role.
- Release the language in terms of pitch, colour, tone and stress.
- Develop resonance and range, and learn to fill the performing space vocally.
